FROM: KATHERINE WESTON
STATE CONTRACT PROCUREMENT OFFICER

SUBJECT: CONTRACT NO. 06-270-JS, SNOW & ICE REMOVAL

ADDENDUM #3

This addendum is being issued to advise all concerned that Contract **No. 06-270-JS, Snow & Ice Removal** has been extended for one (1) additional year, from October 1, 2008 through September 30, 2009 with these changes to the terms:

These services will no longer be required for the contractor to perform upon the renewal of this contract. The exception being the following references "marker stakes":

Page 20: III Scope, Item #3 - RESPONSIBILITIES BEFORE SNOW SEASON –

Contractor is responsible for installing marker stakes to identify Roadway edges, curbs, grass areas, plant material, manhole covers, fuel fill caps, parking lot drains, above ground utility equipment or any area that may not be identifiable during a snow storm.

Marker stakes shall be of uniform size and shapes with the tops marked with a highly visible paint or reflective tape. Stakes shall be installed a maximum of 50 feet apart on straight runs and maximum of 10 feet on turns or island radius. For marking of catch basins, manhole covers or any critical area that is located on the pavement, cones or GPS devices may be used.

Contractor shall provide marker stakes and install between October 31 and November 20th, and remove by March 15, per request of DFM. This date will be weather related.

All other terms and conditions remain the same. If you have any questions, please contact me at 302-857-4557.
